Sex | Date of birth 03 October 1980 | Nationality Moldovan

WORK EXPERIENCE

Mar 2006–Jul 2009

Pathologist

Republican Clinical Hospital
29 / Testemitanu street, MD 2025 Chisinau (Moldova)

Pathological diagnosis based on surgical specimens/biopic tissue material/frozen section/Autopsy. Special attention to genitourinary and renal pathology. Preparation of audiovisual and digital materials for hospital clinico-pathologic conferences.

Business or sector Public Health Care

Jan 2008–Aug 2009

Assistant professor, MD

Moldova State University of Medicine and Pharmacy 'N. Testemitsanu'
165 / Stefan cel Mare Street, MD 2004 Chisinau (Moldova)

Teaching anatomic and surgical pathology. Preparation of assigned undergraduate courses and seminars in the field of pathology, participation in university and cathedral curriculum development activities, independent study activities, and off-campus learning such as practicums. Preparation of teaching materials such as Power Point presentations, digital slides, exam and self-assessment quizzes.

Business or sector Academic

Sep 2009–Jul 2012

Medical researcher

Ospedali Riuniti di Bergamo, Anatomic Pathology Unit
1 / Largo Barozzi street, 24128 Bergamo (Italy)

Project management. Conduction of biomedical research on archived human tissue material.

Business or sector Public Health Care

EDUCATION AND TRAINING

Sep 1998–Jul 2004

Medical Doctor, MD

Moldova State University of Medicine and Pharmacy 'N. Testemitsanu'
165 / Stefan cel Mare Street, MD 2004 Chisinau (Moldova)

Health sciences: Fundamental (Biochemistry, Immunology, Physiology, Anatomy, Pharmacology, Genetics, Hystology, Pathology, etc.), Clinical (Internal Medicine, Cardiology, Endocrinology etc.), Surgical (Surgery, Urology, Obstetrics/Gynecology, etc.).

Sep 2004–Dec 2007

Pathologist, MD

Post-graduate

Moldova State University of Medicine and Pharmacy 'N. Testemitsanu'
165 / Stefan cel Mare Street, MD 2004 Chisinau (Moldova)

Anatomic pathology, Surgical pathology, Autopsy pathology. Clinical Pathology and Laboratory

Medicine. Medical statistics.

Sep 2008–Dec 2008

-

Ospedali Riuniti di Bergamo/Institute for Pharmacological Research “Mario Negri”
1 / Largo Barozzi street, 24128 Bergamo (Italy)

Renal pathology, renal biopsy processing and diagnosis, bright field microscopy, immunofluorescent and electron microscopy. Clinico-pathologic correlations and differential diagnosis in renal diseases.

21 Oct 2011

Dottore Magistrale in Medicina e Chirurgia, MD

University of Brescia
15 / Piazza del Mercato street, 25121 Brescia (Italy)

Recognition of the degree of Medical Doctor according to European Standards.

18 Mar 2012

Medical License/Qualification.

University of Brescia
15 / Piazza del Mercato street, 25121 Brescia (Italy)

4 Jul 2012–Present

Medical Residency training (Anatomic Pathology)

EQF level 8

Milan State University, Brescia (Italy)

Anatomic pathology/Surgical Pathology/Autopsy pathology/Molecular Pathology/Cytopathology

PERSONAL SKILLS

Mother tongue(s) Romanian

Other language(s)

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
Russian	C2	C2	C2	C2	C2
Italian	C2	C2	C2	C2	C2
English	C2	C2	C2	C2	C2
German	A1	A1	A1	A1	A1

Levels: A1 and A2: Basic user - B1 and B2: Independent user - C1 and C2: Proficient user
Common European Framework of Reference for Languages

Communication skills

Good communication skills and ability to adapt to multicultural environments (experience in work with different ethnic groups of students, teaching in 3 different languages, experience as medical scientist abroad).

Organisational / managerial skills

Organizational skills in the work with student groups, acquired as a result of everyday teaching activity. Organization of hospital and university conferences, meetings.

Job-related skills

Technical skills in the area of histopathology lab equipment, tissue processing, microscopy. Fluorescent in situ hybridization. Flow Cytometry (BD Facsanto II). Polymerase Chain Reaction.

Digital competence

SELF-ASSESSMENT

Information processing	Communication	Content creation	Safety	Problem solving
Proficient user	Proficient user	Proficient user	Proficient user	Proficient user

Digital competences - Self-assessment grid

Programming skills:

-Development and Administration of websites using various programming languages (HTML5, CSS, JavaScript, PHP) and ready to use Content Management Systems (WordPress, Drupal).

-Design/Image processing skills: Adobe Photoshop/Lightroom.

Operating systems:

-Windows, Linux, OsX, Android, iOS, Risk

FlowCytometry:

- Flow Cytometry software (BD FacsDiva, FacsCanto). Digital Microscopy software (Axiovision)

Other skills Sports: Mountain biking, running.
Cooking.

Driving licence B

ADDITIONAL INFORMATION

Courses/Workshops attended:

- Workshop "IQFISH", DAKO, Milano, Italy, 22 March 2012
- Educational project "Fluorescence and chromogenic in situ hybridization: principles and diagnostic applications", DAKO, Milano, Italy, 22 november 2011
- Workshop "Lymphoma flow cytometry in pathology departments-integration of histopathologic and flow cytometric results", IRCCS, Milano, Italy, 8 november 2011
- Workshop "The evolution of In Situ Hybridization methods in Oncology", Bologna, 6 October, 2011
- Workshop "Organisational aspects in the establishment and activity of the Transplant Agency in Republic of Moldova", Chisinau, Republic of Moldova, 2-3 december 2008
